Designed Smart

- The W-3V warmer has an energy efficient design that keeps hot food at the perfect serving temperature.
- The unique serpentine shaped heating element evenly distributes heat throughout the unit.
- Warmer is provided with insulation to protect interior parts and countertops from heat build-up.
- Designed to run either with wet water (best option), or dry applications (will not harm warmer).

Built Solid

- Constructed with heavy-duty stainless steel for excellent durability.
- Inside liner made with stainless steel.
- Steel "element support" stabilizes heating elements and reflects heat toward food.

Reliability backed by APW Wyott's Warranty

- APW Wyott warming equipment is backed by a 1-year parts and labor warranty, including our "Enhanced Warranty" service that replaces new units with certain product issues through the convenience of direct factory shipments.
- Certified by the following agencies:
