

LINE **Salamander**
CODE **216022**
MODEL **SEF1/0**

DESCRIPTION **CLASSIC SALAMANDER CLOSED ON THREE SIDE S SEF**

CLASSIC ELECTRIC SALAMANDERS.

Classic **SE** electric salamanders are the best seller of the range on international markets.

Tecnoinox Classic electric Salamanders come in new improved versions and are more attractive, Safer and even easier to use.

Electric salamanders closed on three sides are distinguished by cooking speed, efficiency and energy savings and, removing the back panel, work like a pass-through salamander.

AISI 304 Satin-finished stainless steel.

Adjustable chromium-plated cooking grid with heat insulated handle.

Temperature control by energy regulator.

Removable back panel to use it like a pass-trough. Two independent cooking zones in SEF2 models.
